Australian Warmblood Horse Association Ltd.	AWHA or AWB	Australian Warmblood	78 processed further numbers are expected as breeding season is not yet ended	112	4 passed selection	n/a as different	over 35,000	428	04/12/2018	Assessment tour with international judge from GB - Jennifer Loriston-Clarke (MBE) & OUR OWN Joanna Verikios was held in Feb/March. We have not only mare classification but also colt selections included. We still at different times run mare classification throughout the year. We breed horses for all disciplines and try to improve the quality each year. DMA testing has increased. Some of our breeder have also started to WFFS test stallions and mares. As we are a membership based studbook it needs a vote at the AGM. An information note has been sent out to all our breeders about the WFFS defect to them them understand the condition and to make the best decisions for the upcoming breeding season

Further development of linear profiling, starting a project for computer data base and app for linear profiling. This year on July 21st The Baltic Young Horse Show/Jumping Championship "Future Stars 2018" was organised to find the best Young Baltic Sport Horses of national breeds. This championship is an opportunity to show and promote the Latvian horse breed on a national and international level, taking the name of the breed even further worldwide. Representatives of breeding organizations for Latvian Warmblood Horses, Lithuanian Riding Horse, Baltic Hanoverians and Estonian Sport Horses agreed last year to organise a Baltic event the would help to launch the participation of Baltic athletes in World Championships.	
Lithuanian Horse Breeders Association	LHBA	Lithuanian Riding Horse	78	93	3	232	1388	52	29/03/2018	Accumulation of the genome of fully approved stallions and active mares that are fit for breeding	
Nederlands Rijpaarden en Pony Stamboek	NRPS										
New Zealand Hanoverian Society	NZHS	Hannoverian and Rhineland	65	62	0	121	1633	102	19-Aug-17	The decision was made in 2017 that visitors from the Hanoverian Verband would become annual so that the breeding programme continues to be the standards and so that improvements would continue on a steady stream One highlight was to have a NZ bred Hanoverian compete in Omaha in the Dressage World Cup Final.	
New Zealand Warmblood Association	NZWB	Warmblood	86	95	6	n/a	2205	200	AGM September	We ran a very successful classification tour in March with German expert Gerd Keust with over 150 mares, foals and stallions inspected. We have offered free testing for WFFS for Studbook mares and Approved stallions. We have updated and revamped the rules for the NZWB Pony Studbook. We have applied successfully for ULEN numbers. We are also working with the FEI to get NZWB horses recognised as such on the FEI database as we are newly recognised by WFFS.	
Norwegian Danish Warmblood	NDWB										
Norwegian Warmblood Association, Norsk Varmblod	NWB	Horses keep their original studbook name	119	113	1	150	5400	279	06/04/2018	Programme for mares of proven quality in sport/breeding is fully operative. This programme gives financial support for registration/passports/foal inspections for the offspring of selected mares. A new 5 year breeding plan has been implemented. Young horse training in cooperation with the National Federation, with financial support from the studbook.
