

Table: Green

Moderator: Celia Clarke

Ranked core values

1. Rideability, intelligence and quick reactions
2. Athleticism
3. Conformation of limbs and feet
4. Positive attitude of going into a fence
5. Proven competition pedigree

Table: Green

Moderator: Celia Clarke

Core values continued

6. Soundness of respiratory function
7. Quality and correctness of gaits
8. Ability to change rhythm

Table: Red

Moderator: Alison Corbally

Core values

1. Mutual respect between sport and breeding: *Breeder name on program and results. Introduce breeder prizes for top level results*
2. Capacity to perform well at high levels easily *(good character, easy scope, carefullness and intelligence)*
3. Health/Soundness/Longevity *(because duration of education to reach FEI top level and reflects on horse welfare & creates bond between public & athletes)*
4. Rideability

Table: Red

Moderator: Alison Corbally

Core values continued

5. Adjustable speed/canter
6. Good technique in all 5 phases of the jump
7. Elegant & attractive horses competing at high level

Table: Yellow

Moderator: Chris Gould

Ranked values

1. Traceability of jumping pedigree
2. Enforcement of one no./one horse
3. Common database with shared data
4. More tools to evaluate rideability, such as describing the rider level
5. Horse welfare and soundness
6. Time requirement for Young Horse &/or Young riders' competitions should be eliminated

ROLEX

Table: Yellow

Moderator: Chris Gould

Core values, continued
